## Introduction

The LSCB Training Calendar provides information on all of the LSCB multi-agency courses, along with the current dates of sessions being offered for Summer 2011 (1<sup>st</sup> April – 31<sup>st</sup> July 2011).

Additional courses or study days which are not advertised within the calendar will be advertised via flyer.

The training is available at no cost to all workers (paid or voluntary) working with children, young people and / or their parents / carers within Leeds. Students on placement may apply for places, however priority is given to paid staff and volunteers.

All training is approved and endorsed by the LSCB Training and Development Sub Group, although it may incorporate sessions provided for the LSCB from our partner agencies. All LSCB trainers are provided by our partner agencies and train in addition to their normal workload.

Level 1 Training should be provided in-house by organisations to their staff, however for organisations and agencies where this is not possible a multi-agency Level 1 training course is available.

For further information about any of the LSCB training please contact the LSCB Training Section:

## Identifying Training Needs

Individuals should identify their training needs and which courses are appropriate for them through supervision and discussions with their organisations safeguarding representatives, based upon their job roles and contact with children and young people (see chart for guidance).

The flowchart below outlines the standard training route provided by the LSCB .

**Group 1** - Staff in infrequent contact with children, young people and/or parents/carers who may become aware of possible abuse or neglect. For example, librarians, GP receptionists, community advice centre staff, groundsmen, recreation assistants, environmental health officers.

**Group 2** - Those in regular contact or have a period of intense but irregular contact, with children, young people and/or parents/carers, who may be in a position to identify concerns about maltreatment, including those that may arise from the use of CAF. For example, housing, hospital staff, YOTs in secure settings and in community, the police other than those in specialist child protection roles, sports development officers, allied health professionals, disability specialists, faith groups, community youth groups, play scheme volunteers.

**Group 3** - Members of the workforce who work predominantly with children, young people and/or their parents/carers and who could potentially contribute to assessing, planning, intervening and evaluating the needs of a child and parenting capacity where there are safeguarding concerns. For example, paediatricians, GPs, youth workers, those working in the early years sector, residential staff, midwives, school nurses, health visitors, sexual health staff, teachers, probation staff, sports club welfare officers, those working with adults in, for example, learning disability, mental health, alcohol and drug misuse services, those working in community play schemes.

**Group 4** - Members of the workforce who have particular responsibilities in relation to undertaking section 47 enquires, including professionals from health, education, police and children's social care; those who work with complex cases and social work staff responsible for co-ordinating assessments of children in need.

**Group 5** - Professional advisors, named and designated lead professionals.

## Course Application

### Cost

There is no charge to attend any LSCB training courses.

### Application Forms

Individuals should apply for LSCB training courses using the LSCB application form (a copy of which is at the back of this calendar – Appendix 2). **Only fully completed LSCB forms will be accepted.** **Applications made on individual agency or Leeds City Council forms will be returned.**

**Application forms require a manager's signature and contact details.**

**Applications stating next available date will also not be accepted as dates may not be suitable.**

### Submission of forms

Forms can be submitted electronically (via the website or e-mail) or by post. If submitting a form electronically please ensure that it is in a word document, and that although a manager cannot sign the form, the managers details must be completed in full, and your manager must support your application.

### Receipt of forms / allocation of places

On receipt of an application an individual will be allocated a place if one is available. Places are allocated on a first come first served basis, with the exception of Level 2 courses whereby partner agencies are allocated a set number of places. Applications for this course should be made as follows:

**Health** – applications to LSCB Training Administrator, places are allocated by the Named Nursing Team

**CYPSC** – applications to LSCB Training Administrator, places are allocated on a first come first served basis

**IYSS** – applications to LSCB Training Administrator, places are allocated on a first come first served basis

**Education Leeds** - applications to, and allocation by Education Leeds Child Protection Team (0113 3951210)

**Early Years** - applications to LSCB Training Administrator, places are allocated on a first come first served basis

**Third Sector and other agencies** - applications to LSCB Training Administrator, places are allocated on a first come first served basis

Places can be reserved on a training course via phone, and confirmed by receipt of an application form. Reserved places will only be held for two weeks before they are released.

### Confirmation of a training place

Confirmation of training places will be sent out to all participants by either email or letter approximately four weeks before the course is due to run. Your confirmation will include details of the course time and venue, including a map / directions. If you haven't been allocated a place you will also be notified of this approximately four weeks prior to the course. **Please do not attend unless you have received confirmation of your place from the Training Administrator (you may be required to show this on the day of the course).**

### Cancellation of a training place

If you wish to cancel a place you have applied for please contact a member of the LSCB Training Section. The earlier a place is cancelled the more likely the chance of us being able to fill a place from the waiting list.

### Waiting Lists

Waiting lists are held for all courses where applicable, and people will be contacted if a place becomes available. **Unfortunately due to high numbers waiting lists can not be automatically carried forward to the next course, and if they have been unsuccessful people are encouraged to reapply for a different date.**

## **Course Information**

### **Start Times**

All times stated within the calendar are the start times. Participants should therefore arrive at the venue in plenty of time to be sat and ready to start at the stated time.

### **Signing In**

Participants are required to sign the sheet provided at the start of a course. Failure to do so may result in a participant not being given a certificate and being charged for non-attendance. If a participant's name does not appear on the sheet the trainer has the right to request that the person does not stay for the course, or that the participant shows proof of their place (confirmation letter).

### **Late arrival / early departure**

We understand that unavoidable circumstances may mean that a participant is late for a course or needs to leave early. If you know in advance that this may be an issue for you please contact a member of the LSCB Training Section to discuss. The LSCB Training Section and the trainers have the right to refuse a place to a participant if they will miss a significant section of the session. If a participant is held up on the way to a course it would be appreciated if they could contact the LSCB Training Section to inform them, who will in turn inform the trainers.

### **Certificates**

All participants on LSCB courses will receive a Certificate of Attendance, however the trainer reserves the right not to give certificates to people who do not attend for a full day.

### **Evaluation**

Participants will be given an opportunity to evaluate a course at the end of a session. This information will be used to inform future training, including updating materials, changing course content and venue choice.

In addition participants will be sent a Post Evaluation form three months after the course to enable us to gauge learning impact. This will be sent to the line manager to be completed within supervision.

### **Non-attendance**

Due to high numbers of people not attending courses the LSCB have a Non-attendance Policy (see Appendix 1). If a participant fails to attend without unavoidable reason, or fails to obtain a cancellation code (see page 4) their Line Manager will be contacted and a charge of £50 levied. All charges recuperated will be directed back into the training budget.

### **Refreshments / Lunch**

In order to allow the LSCB to provide free places on courses we do not provide lunch for participants. Lunch is available to order at some venues, and trainers will inform participants of local facilities at the start of a day. Participants are also welcome to bring their own lunch.

The LSCB will provide tea, coffee and biscuits throughout the day on all courses.

### **Additional Learning Requirements**

Should you have any additional requirements which would make your learning and participation on a course better please use the section on the application form to inform us of this. We will make every effort to meet these needs, and if this is not possible we will contact you to discuss.

## Introduction to Working Together to Safeguard Children and Young People – Level 1

A four hour introductory training for people who may have the ability to identify levels of vulnerability for children and young people, or who are in regular contact with children and young people either directly, through work with their families/carers or the setting in which they work (groups 1-5)

This is seen as a minimum requirement for all people working within settings which work with or have regular contact with children and young people. It is recommended that people undertake refresher training every 3 years.

***This course should be accessed through your own agency***, however for agencies from the smaller voluntary or private sector that does not have access to training within their own agency this course is available via the LSCB multi-agency sessions.

***Staff wishing to attend Level 1 on the evening session will need to attend both sessions, ie both the 21st & 22<sup>nd</sup> June.***

### Learning Outcomes

By the end of the course participants should gain an understanding of :

- Child abuse and neglect including signs and indicators.
- Normal child development
- What to do in response to concerns, documentation and the sharing of information regarding concerns
- Their own safeguarding roles and responsibilities
- Working together to identify assess and meet the needs of children where there are safeguarding concerns
- The impact of parenting issues such as domestic abuse and substance misuse on parenting capacity.
- The importance of family history and functioning

### **Non-attendance on Training Courses – Charging Policy**

Due to the popularity of the LSCB training courses, many of our courses are often fully booked with a reserve list, however we are increasingly finding that people are booking places and then not attending without prior notice. This is not allowing us the opportunity to offer such places to other people.

As a result of this a decision has been made that from 1st September 2007 charges will be made for non-attendance on all Leeds Safeguarding Children Board Multi – Agency Training Courses unless the place is cancelled at least 5 working days before the course date.

In the absence of receipt of a cancellation or notification of sickness / unavoidable absence at short notice an invoice for £50 will be sent by Leeds Safeguarding Children Board to the agency.

Cancellation of places or notification due to sickness / unavoidable absence at short notice should be made to Karen Shinn, Training and Development Officer on 0113 3952121 or [karen.shinn@leeds.gov.uk](mailto:karen.shinn@leeds.gov.uk) or Emily Graves, Training Administrator on 0113 2476538 or [emily.graves@leeds.gov.uk](mailto:emily.graves@leeds.gov.uk). You will be given a cancellation code which you can quote should your non-attendance be questioned.

We hope that you will appreciate that our motive is to ensure that as many people as possible are given the opportunities to attend our courses.

Yours

Karen Shinn
